The Park Slope Child Care Collective is a full-day preschool/child care center that was created by neighborhood parents to provide an engaging and loving environment for the young children of working parents. We strive to make the student body racially and culturally diverse and inclusive of special needs, and we welcome and are supportive of all families.

Age Range: We have 3-day, 4-day, and 5-day programs for children between the ages of 2 and 4 years. Children must be at least 2-years-old by September 1 of the school entry year to be considered for admission.

Open House: The first Saturday in December, 10am-1pm.

Applications: Our application is online at [psccc.org](http://www.psccc.org) and the deadline is January 1 with late applications placed on our wait list.

How We Teach: We support a child's natural curiosity and joy of discovery by creating a nurturing learning environment where children feel comfortable to explore and make sense of the world around them. Our small student-teacher ratio gives each child the opportunity to develop unique and trusting relationships with the care and support of sensitive and爱心 teachers. Our low student-teacher ratio gives each child the opportunity to develop warm and trusting relationships with his or her teachers who are experienced and sensitive to the developmental issues of young children and to their needs within a group setting.
